Go Green from SFO and OAK for ALA 2015

BART's direct service from San Francisco International Airport (SFO) and Oakland International Airport (OAK) is the most convenient, inexpensive and eco-friendly way to your downtown San Francisco hotel

We recommend that you take BART when you arrive and depart from either airport. Round trips on BART are about \$12 less than shuttles and keep 10 pounds of emissions from entering the air per trip. We also encourage Bay Area Librarians to take BART to the conference.

Take BART from SFO

If you're flying into SFO it's easy to get a round-trip (RT) SFO to San Francisco transfer. Just [click here](#) and buy a RT transfer voucher for only \$19.25. Then print the voucher, take it with you and exchange it at SFO for a BART ticket. Buy it before you leave and you won't have to wait in line at the station to get a ticket. **The voucher includes instructions and directions to get your BART ticket when you arrive at SFO.**

Take BART from OAK

Go to the new BART station across from Terminal 1 and board the train to the Coliseum station. When you arrive there, purchase a 10.05(\$20.10 RT) ticket to exit the fare gate to the main train platform. Proceed down to the right side of the platform and take any San Francisco bound train to the station closest to your hotel. The total trip to San Francisco takes 40 minutes.
