

Films On Demand Celebrates 10th Anniversary at Booth #321

New York, NY, June 11, 2015—This year marks the 10th anniversary of *Films On Demand*, the award-winning, multi-subject streaming video service from Infobase. ALA Annual attendees are welcome to stop by Infobase booth #321 for demos and to learn more. Featuring premium and exclusive content from top producers around the world, *Films On Demand* currently serves more than 250 million educators, students, and librarians and is widely regarded as a frontrunner in the educational streaming video field.

In honor of this milestone, Infobase is extending a very special offer to ALA Annual attendees to join the *Films On Demand* family, using promo code FOD10Y: subscribe by 10/10/15 and pay for only the first 10 months of a 1-year subscription—get the last two months free. (This offer is for new customers only, and some restrictions apply.) The offer is valid on *Film On Demand* (for academic institutions), *Classroom Video On Demand* (for high schools), and *Access Video On Demand* (for public libraries).

Follow us on Twitter @InfobaseSales for conference updates!

About Infobase:

Infobase is an educational solutions company providing award-winning digital reference content to the school and library community. Under such well-known brands as Facts On File, The World Almanac®, Learn360, and Films Media Group, Infobase provides students, educators, and librarians with a broad range of products that both enhance and enrich the learning experience. For more than 70 years, Infobase has been a reliable, authoritative resource for supporting the middle school, high school, and academic curriculum, providing flexible options for accessing educational content whether in school, at the library, or at home.
